

Welcome to Kenny's Burger Joint

Our burgers are handmade using the finest Sterling Silver® brand beef. They are a half-pound and cooked over Hickory on our all natural, wood burning grill (come check out the grill, it's cool and doesn't use any gas!). We proudly serve our burgers on fresh Ciabatta buns baked daily at La Spiga bakery in Addison. We top our burgers with the best cheeses available from areas like Vermont, Wisconsin and Gruyere France and we use thick cut smoked bacon from Wright Brand® in Fort Worth. We garnish our burgers with the freshest produce including jumbo beef steak tomatoes, Italian super sweet red onions and crisp California lettuce all delivered daily by the La Barba family at Freshpoint produce company. I could go on and on but I think you get the picture here. Is your mouth watering yet? Yeah, I thought so.

I am on a never ending mission to create the perfect Burger and I truly hope you love it!

Sincerely

Kenny Bowers
